(Holder) Note:	: click above to insert image file or digital signature Date

For information on methods of lodgement refer to the front page of this form or <a href="www.resourcesandenergy.nsw.gov.au/miners-and-explorers/applications-and-approvals">www.resourcesandenergy.nsw.gov.au/miners-and-explorers/applications-and-approvals</a>

The department is introducing service delivery standards for the processing of applications under the *Mining Act 1992*. The target processing time for applications, other than grant and renewals, is 30 business days.

In order to efficiently process applications, a new process has been implemented that includes 'stop the clock' provisions. The processing clock starts when a complete application, including all required supporting material is received. Processing is complete when the applicant is notified of the result of the decision. For further information on stop the clock events please refer to <a href="https://www.resourcesandenergy.nsw.gov.au/miners-and-explorers">www.resourcesandenergy.nsw.gov.au/miners-and-explorers</a>

### PRIVACY STATEMENT

This information is collected by the Department of Trade and Investment, Regional Infrastructure and Services (NSW Trade & Investment) for the purposes of assessing an application for an authorisation or associated with an authority as required by the *Mining Act 1992* or *Mining Regulation 2010*.

This information may also be used by the department to confirm applicant details in the event that subsequent applications are made, and may also be used to establish and maintain databases to assist the department with its work generally.

Except for purposes required by law, the information will not be accessed by any third parties in a way that would identify the person without the consent of that person.

You may apply to the department to access and correct any information the department holds if that information is inaccurate, incomplete, not relevant or out of date.

ANY ROADS OR TRACKS THAT INTERSECT CLAIM.	N OF PROPOSED FENCE. SHOW
