

Small mines annual safety roadshow

February to April 2024

regional.nsw.gov.au

The Department of Regional New South Wales acknowledges that it stands on Country which always was and always will be Aboriginal land. We acknowledge the Traditional Custodians of the land and waters, and we show our respect for Elders past, present and emerging. We are committed to providing places in which Aboriginal people are included socially, culturally and economically through thoughtful and collaborative approaches to our work.

Welcome

Evacuation procedures and toilets

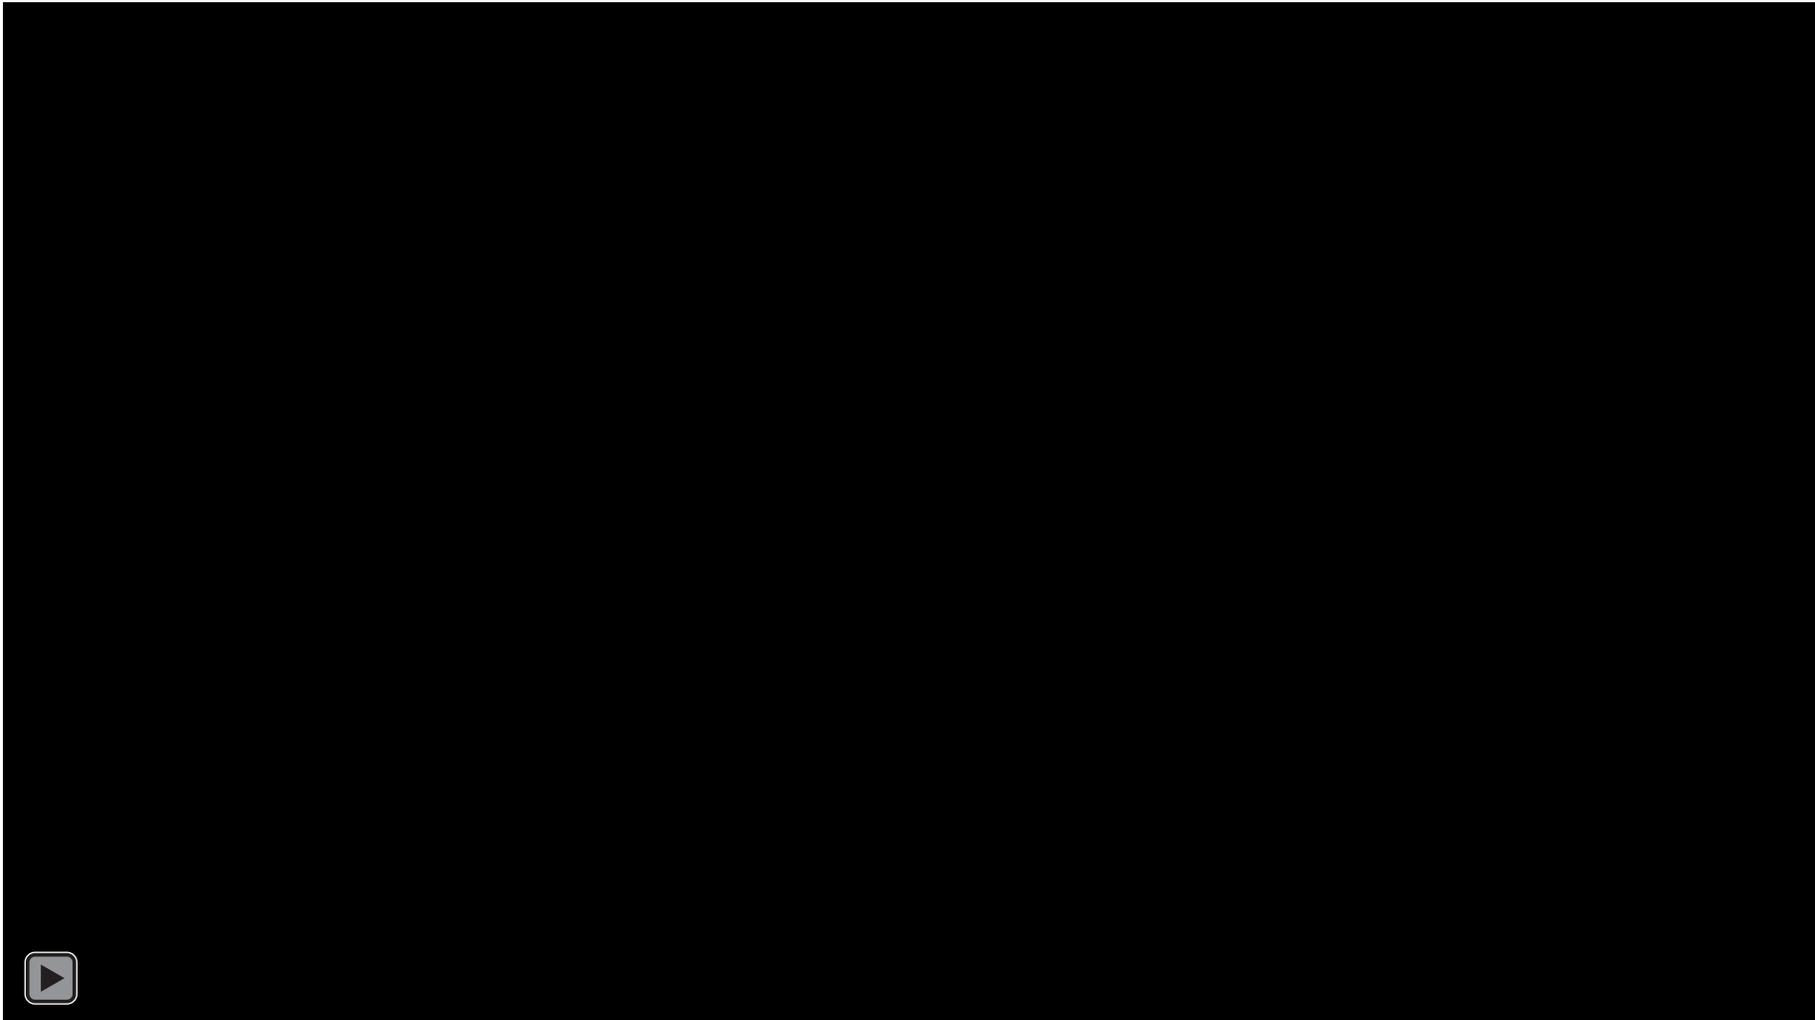

Introduction of speakers

The day is an open forum, feel free to ask any questions at any time.

Open discussion is encouraged, that way you may be thinking of a question that someone has just asked.

Around the room introductions

Please turn off mobile devices or switch to silent

Covid

When you entered you would have come in under the control of the venue we are at.

They will have checks that comply with their Covid Management Plan.

While we are in here, if you start to feel sick, show signs of a temperature, general unwellness, you should leave and seek medical advice.

Survey

A link to a survey will be sent out to all attendees.

Please take the time to do it, it will help us improve our events in the future.

The link will be sent about a week after today's roadshow.

Maintenance of competence breakdown of hours will also be sent out. Those who need to record their maintenance of competence can use these hours for their records.
