

Welcoming address

Small Mines Roadshows

February / March / April 2025

The Department of Primary Industries and Regional Development acknowledges that it stands on Country which always was and always will be Aboriginal land. We acknowledge the Traditional Custodians of the land and waters, and we show our respect for Elders past, present and emerging. We are committed to providing places in which Aboriginal people are included socially, culturally and economically through thoughtful and collaborative approaches to our work.

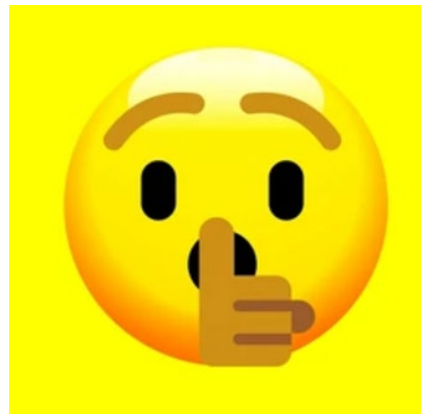

House keeping

- Evacuation procedures and toilets
- Introduction of Small Mines Team, and today's speakers
- The day is an open forum, feel free to ask any questions at any time
- Open discussion is encouraged, that way you may be thinking of a question that someone has just asked.
- Around the room introductions

Please turn off mobile devices or switch to silent

IF
You need to take a call
just quietly leave and
take it

Survey

A link to a Survey will be sent out to all attendees.
Please take the time to do it, it will help us improve our events in the future.

The link will be **sent about a week** after today's roadshow.

Maintenance of competence breakdown of hours will also be sent out. Those who need to record their maintenance of competence can use these hours for their records.
