Muswellbrook Coal's comments don't relate specifically to the wording in Clause 6 of Part 4 of Schedule 8A but Muswellbrook Coal is concerned about the conflict between this clause and our development consent. The Rehabilitation Management Plan is no longer required to be approved by the Secretary, however, our developed consent issued by Muswellbrook Shire Council requires the Secretary to approve our Rehabilitation Management Plan. Muswellbrook Coal would like to understand how this conflict is to be managed.

Muswellbrook Coal support the NSW Minerals Council submission on the Rehabilitation Reforms.
